This case is set for an initial appearance before the Court on June 19, 2008. Christopher Calder has been charged with failure to appear for surrender of the sentence previously imposed by the Court. The parties have reached a plea agreement that they likely will enter on June 19, 2008 (lodged separately), and the parties will request a two- or three-week continuance so that they can file sentencing memoranda. The parties will ask the Court to waive a presentence report because (1) one just was prepared for the underlying case in CR 05 491 VRW, (2) the information about the failure to appear is in the plea agreement, and (3) the parties' sentencing memoranda will explain the circumstances surrounding the failure to appear and additional 18 U.S.C. § 3553(a) factors. Thus, the record will allow the Court to meaningfully exercise its sentencing authority under section 3553(a) such that a new presentence investigation is not
